

1 Because I am Abel,

**I am able to blaze through every door of opportunity
but leave a wedge in the door so that others may follow.**

2 Because I am Abel,

**I will take responsibility for my own destination,
and uplift my brothers who seek to do the same.**

3 Because I am Abel,

I will see my brothers as a reflection of myself.

4 Because I am Abel,

**I shall not allow myself to be deterred by the social
conventions that have been set out to limit my success.**

5 Because I am Abel,

I am not afraid to take the road less travelled.

6 Because I am Abel,

**I will fight the good fight of faith and always remember
that a dream deferred is not a dream denied.**

7 Because I am Abel,

**I am able to rise from defeat and
refuse to give up on my aspirations.**

8 Because I am Abel,

**I am able to use my words and acitons to uplift,
increasing the confidence of my brothers and myself.**

9 Because I am Abel,

**I am able to channel my ambitions to achieve my
goals and will not allow anything to stand
between my destiny and me.**

10 Because I am Abel,

**I will remember that failure is a part of success,
and if I do not allow it to break me, it will make me stronger.**
